PROJECTS

React Portfolio Website | <https://github.com/vighimre87/react-portfolio-website> | <https://vighimre87.github.io/react-portfolio-website/>

- A portfolio website made with React JS and pure CSS for a bootcamp assignment
- Main responsibilities: writing and guiding the whole project as being an individual project
- React JS, JavaScript, CSS

Globey | <https://github.com/vighimre87/Globey> | <https://jxg052.github.io/Globey/>

- The first group project of the edX bootcamp that utilizes JavaScript, DOM and APIs
- Main responsibilities: Saving data into local storage, creating modals for invalid user input, actively cooperate in writing the program logic
- HTML, CSS, JavaScript, Bootstrap, JQuery, Openweather API and REST Countries API

Team Profile Generator | https://github.com/vighimre87/Team_Profile-Generator |

- A simple console application that let you create a team profile made in OOP style and using Test Driven Development
- Main responsibilities: writing and guiding the whole project as being an individual project
- Node JS, JavaScript, HTML, Jest

EXPERIENCE

Customer Advisor 2019 -

Cotswold Outdoor, Skipton

Help customers by knowledgeably answering enquiries regarding product placement, details, and availability. Provide useful and helpful information to customers on product specifications and technical details. Handle complaints calmly and professionally, providing appropriate solutions to promote continued customer satisfaction. Maintain excellent team relationships by proactively helping colleagues solve complex customer complaints, issues and requests.

Pizzaiolo 2017 - 2019

Pizza Express, Skipton

Met customer needs and requests, while baking a wide range of pizza doughs and recommending new recipes. Delivered exceptional cooking services by preparing appetizers, including garlic bread, dough balls, and salads and using less traditional ingredients to appeal larger audience by making vegan cheese and wholemeal dough. Maintained cleanliness of cooking station before and after cooking meals to ensure kitchen sterility.
